

What Users Say About GarageKeeper

It's Really fast...

"With 18 stations my system is so fast that the information is on screen before the key comes up."

*Karl Mundt, Wayne's Garage
Independent Japanese/Domestic*

It's Accurate...

"With the increased control provided by GarageKeeper, my net profits have quadrupled."

*George Rode, Euro-Asian Auto
Bosch Service Center*

It's Reliable...

"We work on Porsche, BMW, Lexus, Infiniti, Jaguar, and Rolls. With high end cars, things always have to be just right."

*Sandy Sandefer, Motor Classics
Porsche Dealer*

It's Easy to Use...

"It's very simple, very user friendly. It has done more to organize my parts than anything else I've used."

*Joe Simpson, JC Honda
Independent Honda Specialist*

"I found the user interface straightforward...", "The program performs exactly as you said it would."

Robert Rabello, Domke Industries

It's Profitable...

"When I started with my GarageKeeper in 1993, I was doing \$100K, now I do \$900K."

*Tom Carr, Carr Industries
Independent BMW Specialist*

"We have been on the GarageKeeper program for over a year and in that time it has definitely paid for itself." "We would highly recommend the GarageKeeper software program..."

Dennis Germyn, Market Tire & Automotive centre Inc.

It Out-Performs the Competition...

"[After] we had numerous errors with the [Pace] program and frequent down time." ...
"we decided to review our options for other comparable programs." ... "We were looking for an integrated program that would allow us to control all aspects of our business." ...
"Our accounting firm of KPMG selected GarageKeeper as the most feasible option." ...
"To date we are pleased with the way GarageKeeper is performing and are prepared to recommend it to others in similar industries."

Michael Roth, Langley Truck & Trailer Repair Ltd.

It makes you feel good...

"Using GarageKeeper 2000 is the most fun I have without being on my boat."

*Butch Stokes, Butch Stokes Auto
Independent Porsche Specialist*
